

FESSH

Federation of  
European Societies for  
Surgery of the Hand

# Welcome to FESSH !

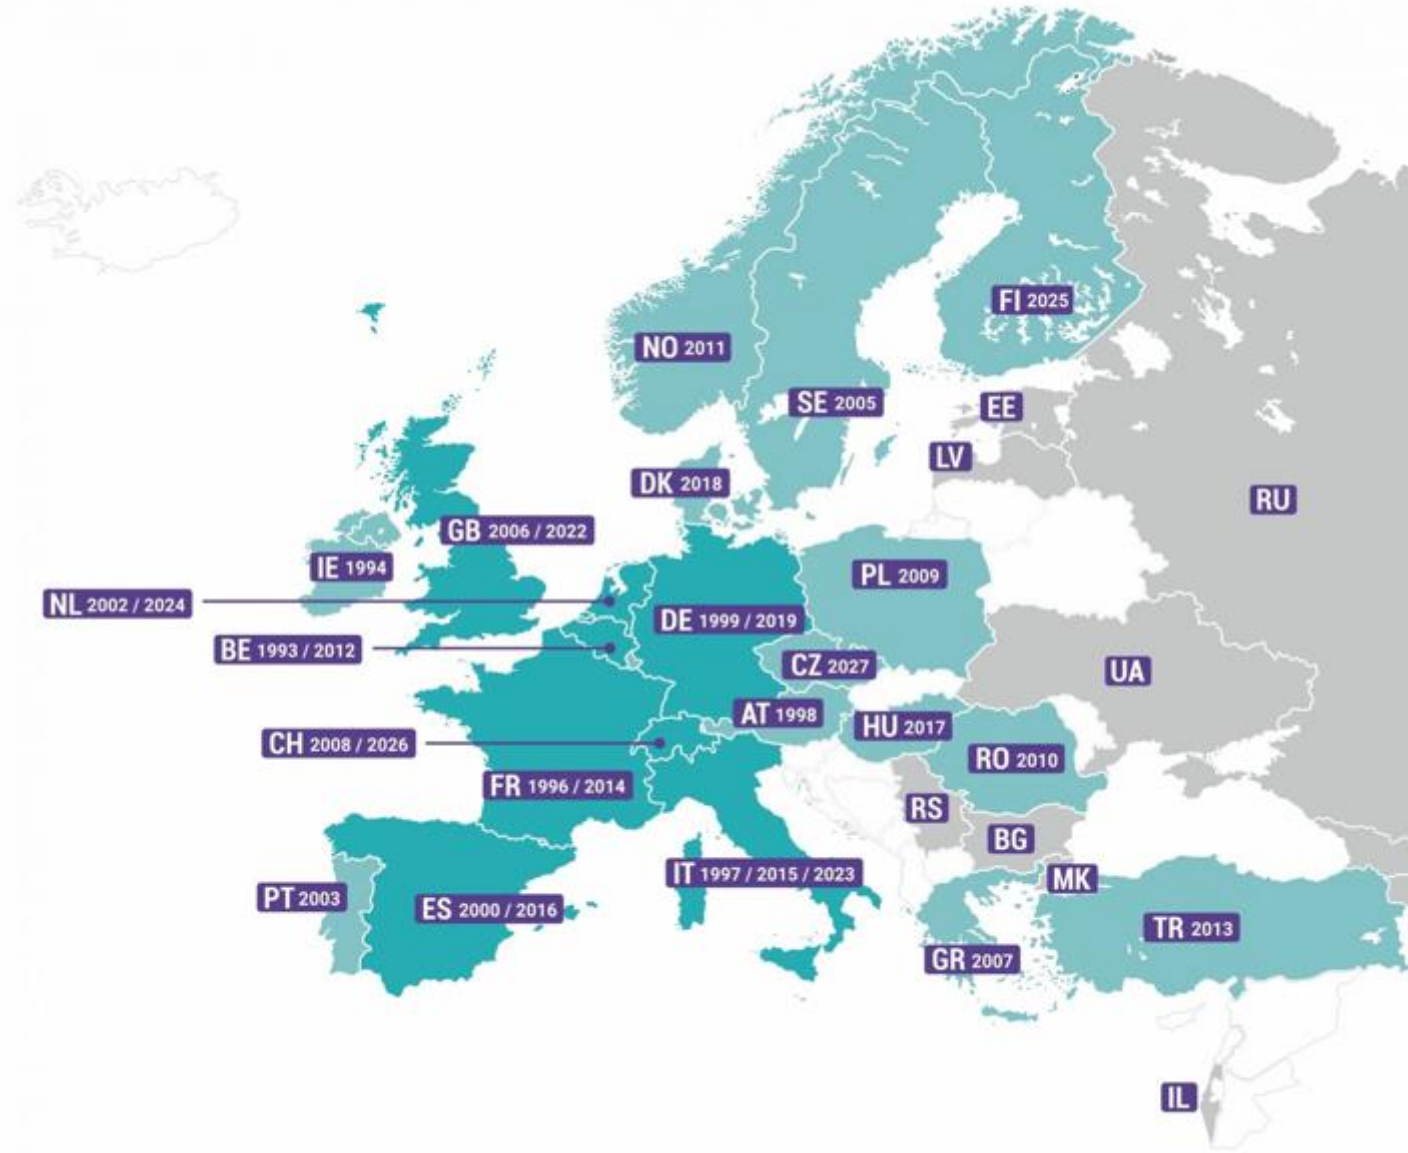

# WHAT IS FESSH?

A Federation of  
European Hand Surgical Societies

- If you are member of your national society - then you are also member of FESSH!

# WHAT DOES FESSH DO?

## OUR MISSION:

The advancement of hand surgery in all aspects, encompassing science, education, and clinical practice.

## OUR VISION:

*To become the authority in the field of hand surgery in Europe. This includes all relevant parties: hand surgeons, allied health professionals, patient representatives, industry partners, representatives from the public, and government bodies.*
